Assessment Details

Category	Short Description	Description	Weighting (%)	Exam Duration
Reflection	AS1	Reflective account (3500 words)	100.0	

Aims

To gain practical experience in gathering, interpreting and presenting qualitative data.

Learning Outcomes

After completing the module the student should be able to:

Edition	
Publisher	Sage
ISBN	

Course Material	Book
Author	Grbich, C.
Publishing Year	1999
Title	Qualitative Research in Health
Subtitle	
Edition	
Publisher	Sage
ISBN	

Notes

This module provides experience in gathering and interpreting qualitative data through class-based and self-directed exercises. Students are expected to engage in either a) an in-depth interview, or b) non-participant observation, or c) participant observation. They write a critical account of what they have learned and reflect on the process of investigating the social world, referring to the methodological literature where appropriate.
