Essay	AS2		30	
Exam	AS3		50	3

Aims

To critically analyse the impact of globalisation on education and social change

Learning Outcomes

After completing the module the student should be able to:

- 1 Critically analyse the debates around the impact of globalisation on the education system in the UK
- 2 Demonstrate a critical understanding of globalisation as social, cultural, economic and political processes that impact on communities and societies
- 3 Reflect on and critically analyse the relationship between social justice, education and the process of globalisation
- 4 Demonstrate and critically analyse key issues in development education and education for sustainability
- 5 Critically analyse the changing nature of higher education, life long learning and the development of a 'knowledge' based economy
- 6 Critically analyse and demonstrate an understanding of the changing nature of the curriculum, teachers' work and pedagogy
