ISBN	

Course Material	Book
Author	Bickley L S
Publishing Year	2007
Title	Bates Guide to Physical Examination and History Taking
Subtitle	
Edition	9th Ed
Publisher	Lippincott Williams and Wilkins
ISBN	

Notes

Please note this module will only be marked as a pass/fail only. This is due to an element of clinical competency being assessed. As students need to be safe in practice, a 40% pass rate is too low and therefore irrelevant as would be standard in theory work.
