## **Outline Syllabus**

*Negotiated Work-based learning project.*

## **Learning Activities**

The module will utilise Information and Communication Technologies (ICTs) to provide support for students. Students will be encouraged to monitor their own learning in this module through their Personal Development Plans and Reflective Log.

Students will be expected to engage in self directed learning to develop their knowledge of the field.

## **Notes**

This option is a requirement for students who have taken up a role as a Special Constable. Students will be briefed about the module code for selection at module registration.

The module content is negotiable dependent on the selected area of study. This should be identified by the student through agreement with both their line manager and university tutor. A learning agreement based on the selected area of study will be developed to include individual aims and objectives. The agreement will be based on the continuous development of professional practice.
