

Module Information

2022.01, Approved

Summary Information

Module Code	6012PM
Formal Module Title	Expanding Research in Paramedic Practice
Owning School	Nursing and Allied Health
Career	Undergraduate
Credits	20
Academic level	FHEQ Level 6
Grading Schema	40

Teaching Responsibility

LJMU Schools involved in Delivery
Nursing and Allied Health

Learning Methods

Learning Method Type	Hours
Lecture	48
Online	15
Tutorial	2

Module Offering(s)

Display Name	Location	Start Month	Duration Number Duration Unit
SEP-CTY	CTY	September	12 Weeks

Aims and Outcomes

Aims	To expand and develop further the research knowledge and ability to design and produce a research study proposal. The proposal should direct the student towards an area of study to inform further development in research as the student progresses.
------	--

After completing the module the student should be able to:

Learning Outcomes

Code	Number	Description
MLO1	1	Critically evaluate evidence related to a negotiated area of research.
MLO2	2	Formulate an appropriate research question specific to paramedic practice.
MLO3	3	Design an appropriate research methodology.
MLO4	4	Identify ethical considerations in research.

Module Content

Outline Syllabus	Designing research questions to enhance your research proposal.Reviewing data analysis techniques.Advanced database searching focusing on the paramedic profession.International research for the paramedic profession.Funding and support in producing research.World leading research, writing up and publishing.Mechanisms that enhance the research agenda.Publication and the way forward for your work.
Module Overview	This module aims to expand and further develop your research knowledge and ability to design and produce a research study proposal. The proposal should direct you towards an area of study to inform your dissertation.
Additional Information	The module will further enhance the knowledge and understanding the student has about the research agenda nationally and internationally. The module will focus on essential aspects of funding and further develop appreciation of world leading research and levels within it.
