APR-CTY	CTY	April	12 Weeks

Aims and Outcomes

Aims	The primary aim of the module is to develop English language proficiency. Specifically, the module will increase students' overall level of English by 1.0 IELTS band. It also aims to develop the language and skills required for university study and to develop preparedness to use Academic English in ongoing degree programmes.

After completing the module the student should be able to:

Learning Outcomes

Code	Number	Description
MLO1	1	Develop proficiency in the four skills of reading, writing, speaking and listening
MLO2	2	Increase range and knowledge of general and academic vocabulary
MLO3	3	Use a range of appropriate grammatical features in all skill areas
MLO4	4	Develop strategies for listening and contributing to academic discourse
MLO5	5	Produce academic writing which shows understanding of conventions relating to style, structure, academic language and grammar

Module Content

Outline Syllabus	- Introduction to academic conventions and expectations - Learning to listen and participate in lectures and seminars- Working in groups to prepare and present oral information- Selection, reading and analysis of academic source material - Academic writing: vocabulary, structure and style- Academic writing: styles and forms of assessment
Module Overview	
Additional Information	The pre-sessional English module will be mapped against current UKVI requirements to ensure that students are able to demonstrate competencies at B2 of the Common European Framework of References for Language. The module will also be benchmarked against the International English Language Testing Systems (IELTS).
