### Module Content

|                        |   |
|------------------------|---|
| Outline Syllabus       | Weekly lectures will introduce guests and internal specialists working in creative industries recruitment. This will support students on their final trajectory to employment. 5 x 2hr workshops, delivered in the second half of the module, will blend as tutorial and feedback sessions on portfolio elements towards submission.                          |
| Module Overview        |   |
| Additional Information | This module will support students with understanding that they are entering the job market as industry professionals as a result of their knowledge and skills acquired. Students should be informed of these options during the "Industries Portfolio 2" module in Level 5. This will encourage the students to find and complete opportunities over summer. |
