------	---

**After completing the module the student should be able to:**

#### Learning Outcomes

Code	Number	Description
MLO1	1	Plan, draft, and present a finished copy of a creative project in creative writing, to include a reflective commentary demonstrating the ability to incorporate his or her research findings in an engaging and accurate form.

## Module Content

Outline Syllabus	The module allows students the freedom to undertake an extended creative project at an advanced level. The project will follow an interest of the student's, and be of their own devising, with tutor support.
Module Overview	This module allows you to pursue an individually devised creative project in Creative Writing at an advanced level. The module provides you with an opportunity to pursue a project which is not accommodated elsewhere in the programme. The project will follow an interest of yours, and of your own devising, with tutor support.
Additional Information	This module allows students to pursue an individually devised creative project in Creative Writing at an advanced level. Students who wish to take this module will have to apply in writing and their application may be refused. Students on the module submit a proposal to the module leader who then offers their comments, refining the objectives of the study into an agreed form, at which stage the module leader assigns the student a supervising tutor. The module provides the student with an opportunity to pursue a project which is not accommodated elsewhere in the programme.
