Aims and Outcomes

Aims	1. An understanding of the historical context of today's journalism issues2. Develop ability for independent study3. Evaluate arguments and perspectives

After completing the module the student should be able to:

Learning Outcomes

Code	Number	Description
MLO1	1	Synthesise historical developments with contemporary issues in journalism
MLO2	2	Evaluate the importance and context of contemporary journalism issues
MLO3	3	Debate complex and diverse arguments

Module Content

Outline Syllabus	Understand the historical background and context of contemporary issues; understand the key debates and arguments in contemporary journalism issues and assessment of the validity of these arguments through discussion and evaluation of wide-ranging data and sources; demonstrate the ability to synthesise complex issues through both presentation of material in multimedia forms and through more traditional medium of a report/project.
Module Overview	The aim of this module is to understand the historical context of today's journalism issues, developing the ability for independent study.
Additional Information	This is an optional module which may be taken instead of the Dissertation module at Level 6.
