

Liverpool John Moores University

Title: Contemporary Issues in District Nursing: Part 1 (without V100 prescribing)
Status: Definitive
Code: **6045PCCOMM** (119834)
Version Start Date: 01-08-2014

Owning School/Faculty: Nursing and Allied Health
Teaching School/Faculty: Nursing and Allied Health

Team	Leader
Sally Sprung	Y

Academic Level: FHEQ6 **Credit Value:** 15.00 **Total Delivered Hours:** 30.00
Total Learning Hours: 150 **Private Study:** 120

Delivery Options

Course typically offered: Semester 1

Component	Contact Hours
Lecture	18.000
Seminar	5.000
Tutorial	2.000
Workshop	5.000

Grading Basis: 40 %

Assessment Details

Category	Short Description	Description	Weighting (%)	Exam Duration
Presentation	Pres		30.0	
Essay	LA	2500 word Learning Agreement	70.0	

Aims

The aim of this module is to develop a critical awareness of the knowledge fundamental to the contemporary role of the district nurse.

Learning Outcomes

After completing the module the student should be able to:

- LO1 Critically analyse the health needs assessment and planning of care for individuals, families and groups and demonstrate the ability to make evidence based practice decisions.
- LO2 Critically reflect on the strategies and evidence based interventions, which can be used to promote the health of individuals, families and groups.
- LO3 Critically analyse the assessment, diagnosis, treatment & care of patients and clients, with specified diseases, in accordance with national and local protocols and policies.
- LO4 Critically analyse a variety of communication methods, networks and working relationships within the practice setting that promote and enhance the learning process.

Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

Poster Presentation	LO				
	2				
Learning Agreement	LO	LO	LO	LO	
	1	2	3	4	

Outline Syllabus

Professional values and behaviours - 6Cs. Professional responsibility, accountability confidentiality, legislation and record keeping.
