**Academic Level:** FHEQ6  
**Credit Value:** 15.00  
**Total Delivered Hours:** 30.00  
**Total Learning Hours:** 150  
**Private Study:** 120

### Delivery Options

Course typically offered: Non Standard Year Long

Component	Contact Hours
Lecture	12.000
Seminar	5.000
Tutorial	1.000
Workshop	12.000

**Grading Basis:** 40 %

### Assessment Details

Category	Short Description	Description	Weighting (%)	Exam Duration
Presentation	PRES	Students will be asked to present a Case Study incorporating either a Discharge or Transition Plan for a child or young person they have cared for from one of the groups identified in DH (2011) NHS at Home; they will also be required to submit a 1, 500 word synopsis of their presentation.	100.0	

## **Aims**

*To enable experienced children's nurses to develop the ability to transfer their existing skills and knowledge in order to provide safe, evidence-based, risk-managed, holistic nursing care to children, young people and their families within the community context. In particular this will include children with acute and short-term conditions; children with long term conditions ; children with disabilities and complex conditions including those requiring continuing care and neonates and children with life-limiting illness, including those requiring palliative and end of life care.*

## **Learning Outcomes**

After completing the module the student should be able to:

- LO1 Demonstrate understanding of contemporary challenges facing Community Children's Nurses
- LO2 Critically analyse and evaluate the management and delivery of seamless care in partnership with children, young people and their families.
- LO3 Assess and embrace the rights, needs, wishes and choices of children, young people and their families to deliver a holistic plan of care.
- LO4 Respond to diverse and changing needs and circumstances of children , young people and families in the provision of supportive care, discharge and transition plans.

## **Learning Outcomes of Assessments**

The assessment item list is assessed via the learning outcomes listed:

Presentation	LO	LO	LO	LO
	1	2	3	4

## **Outline Syllabus**
