Aims and Outcomes

Aims	This option module aims to provide students with the knowledge and understanding of the current practices of Physical Education and school sport within the 14-19 National Curriculum. Students will also develop a critical understanding of examinations and awards within Physical Education for 14–19-year-olds. The module will enable students to plan and deliver within a 14-19 years setting thereby providing a contextual opportunity to develop personal teaching, learning and assessment approaches in Physical Education.
------	--

After completing the module the student should be able to:

Learning Outcomes
