Academic Level: FHEQ6 **Credit Value:** 20 **Total Delivered Hours:** 18

Total Learning Hours: 200 **Private Study:** 182

Delivery Options

Course typically offered: Standard Year Long

Component	Contact Hours
Lecture	6
Seminar	6
Workshop	6

Grading Basis: 40 %

Assessment Details

Category	Short Description	Description	Weighting (%)	Exam Duration
Report	AS1	Report on their project 1500w	15	
Dissertation	AS3	Dissertation 7500 words	75	
Presentation	AS2	10 minute oral presentation	10	

Aims

To enable students to work independently on an appropriate dissertation that falls under the expertise of the programme

To develop the ability to analyse evidence in pursuit of a self-defined problem

To produce a substantial piece of written work, with appropriate scholarly

Learning Outcomes

After completing the module the student should be able to:

- 1 Critically evaluate a chosen field of critical literature and situate their own work within it through analysis of appropriate primary material
- 2 Hone and apply a particular methodology or approach towards their chosen material to generate research and an informed critical position.
- 3 Write a long, research-informed and scholarly essay which accords to high standards of presentation and referencing and develops an argument.

Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

Report on their project 1500w	2		
Dissertation 8000 words	1	2	3
10 minute oral presentation	1	2	3

Outline Syllabus

May: introductory lecture: the dissertation

September-December: 4 lectures: Defining your topic; polishing your proposal; structuring your dissertation; writing your dissertation chapter

March: final lecture: writing up

May- March: 6 workshop sessions to follow lecture topics including a Library induction.

The dissertation topic will be negotiated between student and staff, on the basis of the student's proposed ideas and the stated interests of all staff circulated in advance. The allocation of supervisors and formulation of topics will be confirmed by

the end of the second semester Level 5. Students will attend a number of individual supervision meetings and electronic feedback sessions (totalling 6

Learning Activities

Lectures, Seminars, Workshops.

Notes

This is an independent research project where students will produce a dissertation of 7000-8000 words. As such it offers them the chance to develop an area of research that interests them: this can include research already undertaken or as yet unexplored topic. Students will work with their supervisors to develop their research projects and to write up this material. They will also be assisted by workshops and tutorials.
