Aims and Outcomes

Aims	This module aims to support students joining the programme from another institution/country. It is recognised that students will not necessarily experienced UK education or education in a UK Higher Education institution and will require guidance and instruction to enable them to adjust their understanding of academic practice to meet the expectations of the Liverpool Business School. It will do so by providing an opportunity for students to explore academic practice and critically reflect on their practice and application through self-awareness and reflection. In developing the students' awareness of their inherent abilities and potential the module will also explore career planning.
