

Liverpool John Moores University

Title: The Proficient Child Nurse
Status: Definitive
Code: **6101NRSCH** (129245)
Version Start Date: 01-08-2021

Owning School/Faculty: Nursing and Allied Health
Teaching School/Faculty: Nursing and Allied Health

Team	Leader
Laura Schwartz	Y
Amanda Garrow	

Academic Level: FHEQ6 **Credit Value:** 40 **Total Delivered Hours:** 80
Total Learning Hours: 400 **Private Study:** 320

Delivery Options

Course typically offered: Year Long & NS Year Long

Component	Contact Hours
Lecture	40
Workshop	40

Grading Basis: Pass/Not Pass

Assessment Details

Category	Short Description	Description	Weighting (%)	Exam Duration
Practice	PAD	PAD: Summative placement, associated episode of care, medicines management competency	100	

Aims

Consolidate students engagement with a range of values, attitudes and skills that underpin safe and effective clinical practice to support their development as an independent practitioner

Learning Outcomes

After completing the module the student should be able to:

- 1 Practice independently with minimal supervision to achieve proficiencies associated with NMC Professional Values
- 2 Lead and coordinate care
- 3 Consolidate knowledge, skills and competence in relation to safe administration of medicine
- 4 Conduct nursing care to the required NMC standards of a registered practitioner.

Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

PAD	1	2	3	4
-----	---	---	---	---

Outline Syllabus

Consolidating practice learning
The code and challenging difficult situations
CPR,
Central lines/PICC line management
