

Liverpool John Moores University

Title: Globalisation, Health & Healthcare for Mental Health Nursing
Status: Definitive
Code: **6102NRSMH** (127774)
Version Start Date: 01-08-2020

Owning School/Faculty: Nursing and Allied Health
Teaching School/Faculty: Nursing and Allied Health

Team	Leader
Philomene Uwamaliya	Y

Academic Level: FHEQ6 **Credit Value:** 20 **Total Delivered Hours:** 40

Total Learning Hours: 200 **Private Study:** 160

Delivery Options

Course typically offered: Runs Twice - S1 & S2

Component	Contact Hours
Lecture	20
Workshop	20

Grading Basis: 40 %

Assessment Details

Category	Short Description	Description	Weighting (%)	Exam Duration
Essay	Essay	Essay on the implications for nursing of an identified aspect of globalisation in/of healthcare (3500 words)	70	
Reflection	Reflection	Reflection on cultural competence associated with a practice-related experience (1000 words)	30	

Aims

To enable students to support patients from different cultural backgrounds in a holistic approach to care

Learning Outcomes

After completing the module the student should be able to:

- 1 Critically review factors that influence health and well-being in the global context.
- 2 Critically analyse the relationship between migration and health outcomes.
- 3 Evaluate the challenges and benefits associated with increasing globalisation in healthcare
- 4 Investigate the implications of culture and global health issues for the development of person-centred care in mental health nursing.

Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

Essay	1	2	3	4
Reflection	1	2	3	4

Outline Syllabus
