Essay	AS2	3,500 Word Essay	60	

Aims

To develop a critical understanding of the nature, causes and effects of problems, issues and concerns experienced by young people in the context of communities in which they live.

Learning Outcomes

After completing the module the student should be able to:

- 1 Evaluate the causes and consequences of a range of social problems involving young people
- 2 Critically explore the inter-relationships between problems presented by young people and social issues of the communities in which they live
- 3 Analyse strategies, underpinning legislation and working practices of professionals working with young people and consider their effectiveness in tackling social issues

Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

Assign1	2	
Assign2	1	3

Outline Syllabus
