

## Liverpool John Moores University

Title: APPLIED PLACEMENT  
Status: Definitive  
Code: **6109SPOSCI** (123216)  
Version Start Date: 01-08-2021

Owning School/Faculty: Sport and Exercise Sciences  
Teaching School/Faculty: Sport and Exercise Sciences

| Team            | Leader |
|-----------------|--------|
| Timothy Donovan | Y      |

**Academic Level:** FHEQ6      **Credit Value:** 20      **Total Delivered Hours:** 74  
**Total Learning Hours:** 200      **Private Study:** 126

### Delivery Options

Course typically offered: Standard Year Long

| Component | Contact Hours |
|-----------|---------------|
| Lecture   | 10            |
| Placement | 50            |
| Tutorial  | 10            |
| Workshop  | 4             |

**Grading Basis:** 40 %

### Assessment Details

| Category     | Short Description | Description             | Weighting (%) | Exam Duration |
|--------------|-------------------|-------------------------|---------------|---------------|
| Portfolio    | Product           | Portfolio               | 50            |               |
| Presentation | Reflection        | Reflective presentation | 50            |               |

### Aims

*The module aims to provide students with the opportunity to develop and reflect on their theoretical knowledge and applied practice skills by engaging in a work related learning project.*

## Learning Outcomes

After completing the module the student should be able to:

- 1 Critically evaluate the important skills, applied knowledge and evidence base required to work in applied Sport and Exercise Science
- 2 Critically reflect on issues relating to professional practice
- 3 Assimilate and present effective and relevant feedback and/or educational material

## Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

|                     |   |   |
|---------------------|---|---|
| Placement portfolio | 3 |   |
| Reflective Pres     | 1 | 2 |

## Outline Syllabus

*Reflective practice*

*Professional practice in sport & exercise*

*Craft skills and professional knowledge*

## Learning Activities

Students are expected to attend time-tabled lectures at the outset of the module. These sessions will enable students to enhance their knowledge and understanding of key professional practice issues. Students should complete the required and recommended reading to widen their knowledge and understanding and their ability to apply material.

Students will engage in a placement under the mentorship of an academic member of staff. Placement activity time has been allocated to represent the time spent on, for example, preparation, data collection / analysis, dissemination and feedback within the project. The time spent on each these activities will vary according to the specific requirements of the project.

Placement supervisor tutorials will assist students in preparing for the project and subsequently support them through the experience.

Students should maintain a reflective diary and a record of group and supervision meetings to support their personal development and inform the assessment tasks.

Students are expected to fulfil all of the requirements of the pre-placement paperwork within the stated timescales, including attending all time-tabled lectures, completing all pre-placement requirements, obtaining DBS clearance (if required) and demonstrating engagement in meetings with supervisors. It is important that all University directed administration procedures prior to placement authorisation are completed. Thus there is a requirement on this module for the pre-placement paperwork to be completed before placement can commence. Failure to satisfy this requirement means that no credit for the module can be released.

## **Notes**

This module is designed to provide students with the opportunity to develop their theoretical knowledge and applied practice skills by engagement in a work related learning project. This module will operate according to the LJMU placement code of conduct.
