Aims	1. To introduce students to the history of the Victorian city.2. To investigate the themes of class and gender in the Victorian city.3. To enable students to think critically about and historicise urban identities.
-------------	--

Learning Outcomes

After completing the module the student should be able to:

Code	Description
MLO1	Evaluate key cultural and social histories of urban modernity in nineteenth-century Britain
MLO2	Critically analyse secondary and primary sources relating to the Victorian city
MLO3	Develop the qualities and transferrable skills necessary to retrieve, present and communicate complex information and argue clearly in oral and a variety of written forms. Students will engage with and assess the critical and primary material concerning gender, class and the Victorian city.

Module Content

Outline Syllabus
Introduction and What is Urban HistoryCivic Culture and Museums Urban Governance and Public Health Slums and Social Investigators Working-Class Housing Suburbia and Domestic Ideology Sex and the CityUrban Crime Pleasure and Leisure in the City Urban Religion Work on Independent Projects

Module Overview
The aim of this module is to introduce the history of Victorian cities. You will investigate the themes of class and gender in the Victorian city which will enable you to think critically about and historicise urban identities.

Additional Information

This module will introduce you to some of the most vibrant debates in British history and urban history. We will explore the Victorian city through a range of sources, including architecture, maps, photographs, novels, letters, diaries, journalism and investigative reports.
