Exam	AS2	EXAMINATION	50.0	3.00

Aims

To have a comprehensive understanding of the strategic aspects of facilities management through appreciating business and organisational needs in the context of their internal and external environment

Learning Outcomes

After completing the module the student should be able to:

- 1 Critically evaluate the importance of positioning, directing and implementing facilities management at a strategic business level
- 2 Analyse the purpose and role of facilities management governance to all stakeholders within an organisation, and its relationship to risk management
- 3 Evaluate and review the role of financial management and performance in facilities management

Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

REPORT	1	2	3
EXAMINATION	1	2	3
