**Academic Level:** FHEQ6      **Credit Value:** 20      **Total Delivered Hours:** 40  
**Total Learning Hours:** 200      **Private Study:** 160

### Delivery Options

Course typically offered: Semester 1

Component	Contact Hours
Lecture	40

**Grading Basis:** 40 %

### Assessment Details

Category	Short Description	Description	Weighting (%)	Exam Duration
Presentation	20 mins	Presentation	30	
Reflection	3000	Evaluative Commentary	70	

### Aims

*To provide the students with the opportunity to consider and develop higher level communication techniques*

### Learning Outcomes

After completing the module the student should be able to:

- 1 Evaluate theoretical approaches to communication.
- 2 Effectively apply communication skills.
- 3 Critically explore strategies to communicate effectively.

### **Learning Outcomes of Assessments**

The assessment item list is assessed via the learning outcomes listed:

Presentation	1	2	
Evaluative Commentary	1	2	3

### **Outline Syllabus**

*Strengths based communication*

*Negotiating skills*

*Social media*

*Overcoming barriers to communication*

*Active listening skills*

### **Learning Activities**

Learning activities will adopt a broken lecture format that will include a combination of formal teaching, group discussion, small group work and workshop style activities.

### **Notes**

This module allows students to examine a range of communication strategies. The intention is that this will equip them with the knowledge and insight to apply theory to practice. This will support them to become competent and confident health and social care practitioners.
