Academic Level: FHEQ6 **Credit Value:** 10 **Total Delivered Hours:** 22
Total Learning Hours: 100 **Private Study:** 78

Delivery Options

Course typically offered: Semester 1

Component	Contact Hours
Lecture	17
Tutorial	5

Grading Basis: 40 %

Assessment Details

Category	Short Description	Description	Weighting (%)	Exam Duration
Report	AS1	Terms of reference	100	

Aims

To prepare the students to undertake their own media-related projects and to deliver the required skill set for successful completion of their investigations.

Learning Outcomes

After completing the module the student should be able to:

- 1 Critically analyse and reflect on the work of other practitioners
- 2 Design and formulate methods to produce a project deliverable and undertake quantitative and qualitative evaluation of the results.
- 3 Formulate a study plan, demonstrating an understanding of the effect of risks and uncertainties in the delivery of a project.

Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

Terms of reference	1	2	3
--------------------	---	---	---

Outline Syllabus

Introduction to search methods

Identification and exploration of suitable subjects for the project.

Selection of project and rationale for the choice.

Styles and conventions associated with technical writing, presentations and speaking to technical audiences.

Project planning activities and tools, time management, use of Gantt charts.

Management of project risk and health and safety considerations when conducting a project.

Learning Activities

Lectures and tutorials, as well as discussions with the Project Supervisor.

Notes

This module is to prepare students for their Project. Students will work during Semester 1 to select a subject area for their project, identify resources and a time management plan. The student will provide a Terms of Reference document and Gantt chart, agreed by supervisor(s) and student. Thereafter the student will carry out the Project (in semester 2) according to this Terms of Reference.
