

# Applied Placement in Physical Education

## Module Information

2022.01, Approved

### Summary Information

|                     |   |
|---------------------|---|
| Module Code         | 6203SPS                                 |
| Formal Module Title | Applied Placement in Physical Education |
| Owning School       | Sport and Exercise Sciences             |
| Career              | Undergraduate                           |
| Credits             | 20                                      |
| Academic level      | FHEQ Level 6                            |
| Grading Schema      | 40                                      |

### Teaching Responsibility

|                                   |
|-----------------------------------|
| LJMU Schools involved in Delivery |
| Sport and Exercise Sciences       |

### Learning Methods

| Learning Method Type | Hours |
|----------------------|-------|
| Lecture              | 20    |
| Practical            | 10    |
| Placement/Practice   | 20    |
| Workshop             | 10    |

### Module Offering(s)

| Display Name | Location | Start Month | Duration Number Duration Unit |
|--------------|----------|-------------|-------------------------------|
| SEP-CTY      | CTY      | September   | 12 Weeks                      |

### Aims and Outcomes

|      |  |
|------|--|
| Aims | Students will experience the opportunity to plan and deliver a school or community-based project in a school or community setting. In preparation for the project, students will critically review the leadership, management and enterprise skills required for successful delivery. On completion of the project delivery, students critically review their personal and professional development and evaluate how this has developed their professional identity. |
|------|--|

**After completing the module the student should be able to:**

### Learning Outcomes

| Code | Number | Description  |
|------|--------|--|
| MLO1 | 1      | Apply leadership, management and enterprise principles to plan and deliver a physical education project, within a school or community environment. |
