Aims

This module aims to analyse and interpret the structure of organisations within sport settings, thereby enabling students to develop an awareness of cultural, structural and management issues within these settings.

Learning Outcomes

After completing the module the student should be able to:

- 1 Critically review organisational structures and functions from a management perspective.
- 2 Analyse and critically comment on organisational strategies, cultures, policies and goals in relation to their marketplace and demographic trends.
- 3 Critically analyse the nature and impact of leadership within organisations.

Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

Report	1	2	3
Exam	1	2	3

Outline Syllabus

Organisational management, structures and policies
Organisations in their marketplace
Strategy and decision making
Leadership within organisations

Learning Activities

This module will comprise both individual and group work and will be structured around lectures, seminar groups and group tutorials. Students will be expected to select in groups an organisation to examine and to design a method to do this. They will then work independently within the structure they have set up.

Notes

This module progresses student understanding of organisational management within sports organisations and develops concepts that are relevant within this area.
