#### Learning Methods

Learning Method Type	Hours
Online	2
Workshop	61

#### Module Offering(s)

Display Name	Location	Start Month	Duration Number Duration Unit
SEP-MTP	MTP	September	28 Weeks

#### Aims and Outcomes

Aims	1. To provide students the opportunity to conduct a focused piece of critical independent work in an international context, under supervision, on an area congruent with the themes and substance of Criminology.2. To provide a vehicle for the improvement and development of a variety of transferable skills and abilities appropriate to the task in hand, from identification of appropriate topic/s through to the development of a viable study programme, and the presentation of a clear, coherent and robust piece of reflective written work. 3. To encourage students to monitor and reflect critically on their own learning
------	--

**After completing the module the student should be able to:**

### Learning Outcomes

Code	Number	Description
MLO1	1	Design a manageable topic, and design a plan of study, including a timetable, for an agreed programme of learning beyond the environment of the classroom.
MLO2	2	Critically reflect upon one's own learning and experiences of researching in an unfamiliar socio-cultural setting and synthesise this into a blog.
MLO3	3	Critically analyse and evaluate data and evidence on a topic of interest through engagement with the relationships between the specific international case under investigation and wider issues of theory, method, policy or practice in an area within the scope of criminology.

### Module Content

Outline Syllabus	Introduction to module Negotiation of international case-study topic Effective group work Ethics What makes a good research plan? Qualitative research in international settings Field work reports How to blog and what makes a good blog? Small-group discussions and supervision of case study projects
Module Overview	
Additional Information	Provides the opportunity for students working in small groups to undertake independent guided study on a topic, congruent with the aims and themes of the programme within an international context. Students will also further develop a wide range of study and professional skills in the process. The module has a compulsory international fieldwork element incorporated which will provide the backdrop to the study focus.
