Module Offering(s)

Display Name	Location	Start Month	Duration Number Duration Unit
JAN-MTP	MTP	January	12 Weeks

Aims and Outcomes

Aims	The module encourages students to consider power dynamics inherent within educational ideas and practice within and across varying international settings.
------	--

After completing the module the student should be able to:

Learning Outcomes

Code	Number	Description
MLO1	1	Display critical awareness of how power dynamics in an international setting may be reinforced and / or disrupted by education

MLO2	2	Critically discuss the ambiguous nature of educational outcomes in international settings and their impact on practice
------	---	--

Module Content

Outline Syllabus	This module examines power dynamics inherent within educational ideas and practice within and across varying international settings. Both intended and unintended outcomes are examined, along with any impacts that may arise. For example: language and cultural hegemony; humanism, instrumentalism and functionalism; conflict and reconciliation; educational ideas in the global South.
Module Overview	
Additional Information	The module encourages students to consider power dynamics inherent within educational ideas and practice within and across varying international settings. Students will be assessed by means of (1) a series of short summative group presentations and (2) an individual evaluative review of a national syllabus from a country situated in the global South.
