Outline Syllabus	May: introductory lecture: the dissertationSeptember-December: 4 lectures: Defining your topic; polishing your proposal; structuring your dissertation; writing your dissertation chapterMarch: final lecture: writing upMay- March: 6 workshop sessions to follow lecture topics including a Libraryinduction.The dissertation topic will be negotiated between student and staff, on the basis of the student's proposed ideas and the stated interests of all staff circulated in advance. The allocation of supervisors and formulation of topics will be confirmed by the end of the second semester Level 5. Students will attend a number of individual supervision meetings and electronic feedback sessions (totalling 6
Module Overview	
Additional Information	This is an independent research project where students will produce a dissertation of 7000-8000 words. As such it offers them the chance to develop an area of research that interests them: this can include research already undertaken or as yet unexplored topic. Students will work with their supervisors to develop their research projects and to write up this material. They will also be assisted by workshops and tutorials.
