Code	Description
MLO1	Construct and justify a research proposal to a business problem or issue.
MLO2	Undertake a critical literature review relevant to the business problem or issue.
MLO3	Collect and critically analyse evidence relevant to the business problem or issue.
MLO4	Construct recommendations and a critical assessment of the research conducted.

Module Content

Outline Syllabus
Students choose a business problem or issue, which may be related to workundertaken on placement year or on a part time basis, or which may be desk basedresearch. Students will be expected to:Identify and justify appropriate research methods.Undertake a literature review.Collect, collate and analyse appropriate research data.Reach conclusions and make recommendations where appropriate. Produce a structured report.

Module Overview

Additional Information
This module enables final year students to apply their knowledge and skills to a properly researched business problem or issue.For sandwich students, the project focus normally relates to work undertaken in the placement year. Non-sandwich students may base their project on links to a company through, for example, part-time employment, or may conduct a desk based project.All students must submit a proposal to their Project Supervisor for their intended project. (See module guide for proposal requirements).Feedback will be given to students after project assessment and the Boards of Examiners, via a mark/feedback form, compiled by the Project Supervisor.Assessment criteria for the project are detailed in the module handbook.
