Outline Syllabus

Students will be taught through a programme of seminars, tutorials and workshops and critiques.

The learning outcomes for this module will be achieved through project based learning agreements. Each student will devise their own programme of work, which is supported and guided by tutorials, weekly seminars and critiques. Students may work on one or more self-generated projects. They will be expected to work with self-initiative and demonstrate an ability to use available resources effectively. All students will demonstrate effective research skills, design development and investigation final outputs. Students will work within a defined timescale to meet agreed set targets.

This module provides an opportunity for Fashion students to undertake their own in-depth programme of projects via a student directed learning agreement.

Learning Activities

This module consists of lectures, seminars, fieldwork and a major practical project defined by set projects and or an individual learning agreement.

Notes

This module provides an opportunity for Fashion students to undertake their own indepth programme of projects via a student directed learning agreement. It strengthens the existing components of the Personal Development Portfolio with the focus towards employability and professional practice.
