Teaching Responsibility

LJMU Schools involved in Delivery
LJMU Partner Taught

Partner Teaching Institution

Institution Name
Nelson and Colne College Group

Learning Methods

Learning Method Type	Hours
Lecture	18
Seminar	18

Module Offering(s)

Offering Code	Location	Start Month	Duration
JAN-PAR	PAR	January	12 Weeks
SEP-PAR	PAR	September	12 Weeks

Aims and Outcomes

Aims	This module will examine the study of the individual and the various motives for the actions an individual takes. The module will explore theory, contemporary topics, and analytical techniques related to the study of the individual. These will include elements of existentialism, philosophy, morality, character study and personality. These will link with exploration of current issues and both long term and more recent changes in what is expected of the individual.
-------------	---

Learning Outcomes

After completing the module the student should be able to:

Code	Description
MLO1	Identify and critically assess some of the core characteristics that shape an individual's thoughts, beliefs and actions
MLO2	Critically analyse relevant theoretical approaches and their application within the field of psychology.
MLO3	Critically evaluate the typology and nature of morality, character and personality and their effect on the individual.
