Title: Consolidating Nursing Practice (2)
Status: Definitive
Code: **6502DAUNU** (127841)
Version Start Date: 01-08-2021

Owning School/Faculty: Nursing and Allied Health
Teaching School/Faculty: Dar Al-Uloom University

Team	Leader
Sean Mackay	Y

Academic Level: FHEQ6
Credit Value: 20
Total Delivered Hours: 100
Total Learning Hours: 200
Private Study: 100

Delivery Options

Course typically offered: Runs Twice - S1 & S2

Component	Contact Hours
Lecture	44
Practical	44
Seminar	10

Grading Basis: 40 %

Assessment Details

Category	Short Description	Description	Weighting (%)	Exam Duration
Practice	OSCE	The OSCE and practice assessment will cover a range of skills pertinent to the level of the student	30	
Exam	Exam	The mid term exam covers the syllabus completed at that stage, allowing students to gauge their progress in the module	30	1
Exam	exam	The final exam will cover the underpinning knowledge for all of the topics covered	40	1

Aims

The aim of this module is to develop, support and prepare students be able to work safely and competently whilst undertaking more complex practice learning opportunities.

Learning Outcomes

After completing the module the student should be able to:

- 1 Demonstrate achievement of practice skills
- 2 Demonstrate application of knowledge underpinning selected practice skills 6

Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

OSCE	1
Mid term exam	2
Final Exam	2

Outline Syllabus

CPAP/BIPAP, conflict management, airway management, acute and chronic renal failure, complex patient assessment, neurological assessment, abdominal assessment, shock (all forms), skin and wound management. Pharmacology in acute care, Hypertension, Dementia/stroke. Pneumonia/chest infections Communication skills SBAR, Liver/diagnostics. Care, compassion and accountability. Advanced care planning.

Learning Activities

A range of learning activities will be used for module delivery including: evidence based skills teaching through lectures, practice focused tutorials, skills simulations. Interactive web-based learning, scenario and work-based learning, practice based reflective activities.

OSCEs (Objective Structured Clinical Examination) will be used to develop students' clinical skills

Notes

** Note: 5502DAUNU is a pre-requisite for this module, and must be successfully completed before registering for this module. **

This module will develop and enhance clinical competencies, building on previous

practice modules and practice experience. Students will be encouraged to extend their knowledge on more complex clinical practice whilst becoming more autonomous and addressing areas for further development in preparation for final 6months.
