Assessment Details

Category	Short Description	Description	Weighting (%)	Exam Duration
Portfolio	WRL	Work related learning portfolio - Sessions and MOE Assessment Criteria	100	

Aims

The module aims to provide students with the opportunity to engage in a work internship related to physical education, with particular reference to utilising work related skills developed over previous years. It will encourage students to apply skills in the workplace. In addition it is to encourage you to understand the nature and importance of employability and professional development in relation to Physical Education in line with MOE standards and requirements and be encouraged to apply theoretical principles in your learning context.

Learning Outcomes

After completing the module the student should be able to:

- 1 Engage in work related internship gaining experience in employment in physical education.
- 2 Deliver high quality PE sessions in line with MOE qualification criteria.

Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

Work related learning 1 2

Outline Syllabus

Teaching and learning methods include a work based internship.

Learning Activities

Teaching and learning methods include work based internship.

Notes

Students will be expected to engage with and contribute to the learning environment through discussion and practice (in various physical education contexts). This entails working in a designated school location and carrying out the duties associated with and MOE qualified physical education teacher.
