Aims

This module gives student the opportunity to develop a stock set of skill based drama workshops that can be adapted for use with range of contexts and participants groups.

Learning Outcomes

After completing the module the student should be able to:

- 1 Demonstrate an advanced ability to plan a range of skills based workshops.
- 2 Synthesise a range of facilitation techniques in the delivery of a skill based workshop.

Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

Portfolio of Workshop plans	1
Delivery of one hour skills	2

Outline Syllabus

Each weekly session will focus on two key drama skill areas with every student preparing and submitting a plan for one hour workshop to address each skill. Two students will be chosen at random to deliver their workshops each week ensuring each student delivers at least one workshop by the end of the module.

Learning Activities

As described above, this module is delivered in a student-led group workshop format.
