Aims and Outcomes

Aims	To develop a critical perspective of contemporary issues within the events industry

After completing the module the student should be able to:

Learning Outcomes

Code	Number	Description
MLO1	1	Demonstrate the ability to synthesize critical understanding of contemporary issues.
MLO2	2	Critically analyse the implications to events management of a contemporary issue and consider potential solutions

Module Content

Outline Syllabus	The syllabus and content will be driven by the current debates within the diverse events industry and to include professionalism within events, cultural policy and its creation, the role of associations, political ideology, ethics, quality, volunteerism.
Module Overview	
Additional Information	This is an opportunity to critically investigate current issues of debate within the events industry. Exploring interrelationships between events and wider policy aims will allow student to contextualise events within a wider political setting. How events function under different political ideologies will frame students' understanding of how events can be subject to varying contemporary debates
