Aims

To provide the basis for basic elements of professional conduct and clinical legal

education, and provide a basis for delivering legal services with appropriate supervision and reflecting upon the experience.

Learning Outcomes

After completing the module the student should be able to:

- 1 Demonstrate skills in client interviewing, persuasive oral communication, case and matter analysis and legal research.
- 2 Demonstrate an ability to conduct a client interview in a clinical setting with appropriate supervision.
- 3 Demonstrate an ability to draft a detailed and accurate file note of a client interview.
- 4 Critically reflect on legal services undertaken in the context of a university law clinic.

Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

Portfolio	1	2	3	4
Practice	2
