Outline Syllabus

The module is designed to deliver advanced professional level technical dance skills in the two areas of Jazz and Commercial dance. Throughout the year students have regular classes each week in which they further develop and enhance their technical and creative dance skills. Particularly the module build on the students studies at level 5 and is focused on enhancing: Precision, Technical Accuracy, Creativity, Expression and Artistry, Professional Practice.

In addition to technique classes student also work on and perform a range of Jazz and Commercial dance repertoire. The repertoire is chosen and delivered specifically to:

- *Develop the students' knowledge of current dance practice / repertoire*
- *Further develop the student knowledge of contemporary professional performing arts practice*
- *Challenge them artistically*
- *Challenge them technically*

Learning Activities

The module will be delivered intensively, with multiple classes each week. Students will be expected to wear dance uniform. The classes will be developed in a coherent manner and will be linked conceptually to develop and explore specific elements of dance training or performance ideas or practices. Dance protocol and class etiquette will be incorporated to ensure healthy and good practice. In addition to class, students will also develop a number of dance sequences and numbers based around a range of style, approaches and techniques which represent current professional practice.

Notes

The module will allow the student to explore advanced Jazz and Commercial dance techniques assessed via two studio-based productions.
