Module Overview	This module aims to enhance your theoretical knowledge of Advanced Healthcare Practice. It:  complements the Advanced Practice pathway  provides the opportunity to debate the issues surrounding the Advanced Practice agenda
Additional Information	This module has been developed to complement the advanced practice pathway. It provides the student with the opportunity to debate the issues surrounding the advanced practice agenda.1. The module learning outcomes and relevant subject benchmark statements are inline with the QAA framework for higher education qualifications in England, Wales and Northern Ireland. The module is aligned to the Level 7 descriptors for a Level 7 Higher Education Qualification.2. The module is delivered over one semester.3.The criteria for admission to the module is that candidates are currently working as a registered professional in a relevant area of practice. Ideally candidates will have studied at degree (level 6) however if this is not the case the applicants skills and professional experience will be discussed to allow the module leader to assess capability to study at level 7.4.The final award is a Continuing Professional Development -Advanced Health Care Practice5.The students have access to Canvas and the University's other range of electronic support such as access to the electronic library facilities. The students also have access to the module leader through phone contact, emails and face to face meetings. A module guide is also provided which guides students to the wide range of support available.6.The programme is assessed and run in line with the Academic Framework 2013-14 <a href="http://www.ljmu.ac.uk/eaqs/121984.htm">http://www.ljmu.ac.uk/eaqs/121984.htm</a> 7.Attendance is required throughout the module and will be monitored as required by HENW.8.Module written in 20149.The methods for improving the quality and standards of learning are as follows: ☞ Annual monitoring Review ☞ Feedback from the students and Boards of Study ☞ Reports from External Examiner ☞ Ensuring the module reflects the values of the current teaching and learning strategy10. This is a stand-alone CPD. An appropriately qualified external examiner will be selected from the MSc Advanced Practice team of externals.
