### Aims

*The Senior Leaders Apprenticeship is designed to transform participants into confident and strategic leaders. It focuses on the practice of leadership, strategy and organisational management and has a real-world focus. This module aims to explore and apply knowledge and skills to operate as a versatile, confident and effective leader in a complex, dynamic working environment.*

### Learning Outcomes

After completing the module the student should be able to:

- 1 Critically appraise complex problems and situations across functional boundaries in order to develop holistic, integrated strategic responses to organisational and management issues.
- 2 Reflect and apply the practice and principles of reflection and continuous development to positively impact individual and collective performance within the organisation.
- 3 Demonstrate knowledge and understanding of current and pervasive issues in business and management including responsible leadership practices, appreciating diversity and behaving with integrity.
- 4 This is a Senior Leader Apprenticeship, and it is aligned to the CMI standards. <https://www.instituteforapprenticeships.org/apprenticeship-standards/senior-leader-v1-1>
