Aims and Outcomes

Aims	The Senior Leaders Apprenticeship is designed to transform participants into confident and strategic leaders. It focuses on the practice of leadership and strategic management for organisational growth and has a real-world focus. This module aims to explore and apply leadership and management skills and the business knowledge required to operate as an effective leader to enable business growth.

Learning Outcomes

After completing the module the student should be able to:

Code	Description
MLO1	Demonstrate a professional contribution to management within a fast moving environment and to accelerate business growth.
MLO2	Assess strategic business growth issues and make a timely contribution to these through leadership, strategy, finance, people, digital technology and change.
MLO3	Reflect and apply the principles and practice of self-development and apply these to impact positively in an organisational setting.

Module Content

Outline Syllabus
Participants will explore specific leader behaviours and strategies necessary to align, motive and inspire employees. It aims to re-energise leaders, inspire those they lead and help them to gain insight into their leadership strengths.
