------	---

After completing the module the student should be able to:

Learning Outcomes

Code	Number	Description
MLO1	1	Demonstrate basic competencies in practical production and post-production craft skills
MLO2	2	Demonstrate an understanding of basic filmmaking conventions and techniques

Module Content

Outline Syllabus	This module introduces students to the grammar of production and allows them to acquire a range of technical skills, through a series of workshops, in the basic use of camera, microphones, lighting and editing software including an understanding of the grammar of editing. Students then develop an online portfolio demonstrating the skills acquired.
Module Overview	This module aims to introduce you to the conventions and techniques of single-camera filming. It will introduce you to the practical craft skills required when using cameras and editing software as well as providing an understanding of the grammar of editing.
Additional Information	This is an optional module
