|------|---|
| Aims | To undertake an independent financial management dissertation relevant to the student's field of practice or area of professional interest. |
|------|---|

**After completing the module the student should be able to:**

## Learning Outcomes

| Code | Number | Description   |
|------|--------|---|
| MLO1 | 1      | Formulate, develop and justify an original research problem relevant to the practice/field of interest.   |
| MLO2 | 2      | Conduct an effective literature search demonstrating an awareness, understanding and critical appraisal of previous relevant theoretical and empirical work in relation to the chosen research problem. |
| MLO3 | 3      | Demonstrate a clear understanding of differing research paradigms, ethics and research governance principles and how to apply them appropriately to the chosen research problem.                        |
| MLO4 | 4      | Gather, present, analyse and interpret appropriate evidence in relation to the chosen research problem.   |
| MLO5 | 5      | Synthesise the research findings and justify your conclusions with consideration of the research problem, constraints of the study and previous literature.   |

## Module Content

|                        |  |
|------------------------|--|
| Outline Syllabus       | Dissertation Format<br>Research Questions/Objectives.<br>Conducting a Literature Review.<br>Methodology & Methods.               |
| Module Overview        |  |
