#### Assessment Details

Category	Short Description	Description	Weighting (%)	Exam Duration
Essay	AS1	A 3000 word Critical Review of how their learning will benefit both service users and the organisation	100.0	

#### Aims

To provide the student with an opportunity to explore a specific area of interest, which will enable them to develop their knowlege and skills

# Learning Outcomes

After completing the module the student should be able to:

- 1 Negotiate & formulate a work plan for the advancement of knowledge in relation to a specific chosen topic
- 2 Undertake a literature review around the area selected
- 3 Critically reflect upon their own development of knowledge and skills during the module

#### Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

essay 1 2 3

#### **Outline Syllabus**

Individually negotiated with the student to meet the learning outcomes

### Learning Activities

An initial introductory session will be held and the remainder of the module will be managed by Individual tutorial sessions. The student once they have selected their topic/subject will negotiate specific learning outcomes to be achieved.
