### Additional Information

The dissertation module offers students an opportunity to explore in-depth an area of personal or professional interest that relates to their programme of study. In doing this, they will expand their research skills and apply what they have learned in the earlier modules to their research project. The Academic Assessor will monitor that the student is completing their hours. This includes any practice placement learning and simulated practice learning, in accordance with the students programme plan. Please note that workshop hours as listed in the above contact hours account for simulated theoretical learning, in accordance with NMC standard 3.4
