Learning Method Type	Hours
Tutorial	8
Workshop	33

Module Offering(s)

Display Name	Location	Start Month	Duration Number Duration Unit
SEP-MTP	MTP	September	12 Weeks

Aims and Outcomes

Aims	The aim of this module is to provide opportunities for students to develop themselves as part of a team working as consultants on a business finance project, applying theoretical knowledge in a practical environment. Front loaded inputs through workshops will support students in managing the project and working effectively with stakeholders. Addressing the brief will be guided by academics and regular feedback maintained through a series of weekly presentations demonstrating progress through the project. Tutorials are also provided to review progress and support students through this consultancy project.
------	---

After completing the module the student should be able to:

Learning Outcomes

Code	Number	Description
