Aims

- 1. To provide students with the opportunity to participate in experiential learning as part of their PGT programme.*
- 2. To promote the development and application of knowledge and skills relevant to the business environment.*
- 3. To enhance further development of students' personal and business competencies.*
- 4. To foster initiative and independence of thought by encouraging students' contribution to and/or development within an organisation.*
- 5. To further enhance links between LJMU and the local business community.*

Learning Outcomes

After completing the module the student should be able to:

- 1 Negotiate objectives to establish the contribution a student can make to a selected organisation
- 2 Critically evaluate the personal contribution made to the selected organisation as a result of the experience.
- 3 Reflect critically on the impact of the experience on personal and professional development.

Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

Personal Portfolio	1	2	3
--------------------	---	---	---

Outline Syllabus

- 1. Dedicate approximately 60 hours to a business environment during the course of a semester.*
- 2. Undertake 10 hours of reinforcement and supportive learning activity within the university.*
- 3. Negotiate a learning agreement with the Module Leader and work-based supervisor which may include practical experience in a variety of departments and roles or a detailed specification for an individual project.*

Learning Activities

Exposure to business, tutorials/seminars and independent study. Through collaboration the three major partners in the assessment process agree to the following:

- the student evaluates their learning
- the work-based supervisor evaluates the student's contribution
- the tutor assesses the student's achievement.

Notes

This module affords students the opportunity for work-based or placement activities which further enhance the connection between theory and practice.
