Generic skills will include: Reflection, evaluation, academic assignment writing and appraisal of literature skills. Portfolio development and e learning.
Module Overview	
Additional Information	<p>The selected study area for this module will be identified by the student and their manager as part of their personal development review or it could be an individual piece of work. A tripartite agreement then facilitates the process. The module learning outcomes and relevant subject benchmark statements are in line with the QAA framework for higher education qualifications in England, Wales and Northern Ireland. The module is aligned to the Level 7 descriptors for a Level 7 Higher Education Qualification. The module is delivered over a standard year. The criteria for admission to the module is that candidates are currently working as a registered professional in a relevant area of practice. Ideally candidates will have studied at degree (level 6), however if this is not the case the applicants skills and professional experience will be discussed to allow the module leader to assess capability to study at level 7. The final award is a Continuing Professional Development – Negotiated Work Based Learning professional Studies. The students have access to Canvas and the University's other range of electronic support such as access to the electronic library facilities. The students also have access to the module leader through phone contact, emails and face to face meetings. A module guide is also provided which guides students to the wider range of support available. The programme is assessed and run in line with the Academic Framework 2013- 14 http://www.ljmu.ac.uk/eaqs/121984.htm Attendance is required throughout the module and will be monitored as required by HENW. Module written in 2013. The methods for improving the quality and standards of learning are as follows:</p> <ul style="list-style-type: none"> • Annual monitoring Review • Feedback from the students and Boards of Study • Reports from External Examiner • Ensuring the module reflects the values of the current teaching and learning strategy <p>This is a stand-alone CPD. An appropriately qualified external examiner will be selected from the team for the MSc Advanced Practice.</p>
