Assessment Details

Category	Short Description	Description	Weighting (%)	Exam Duration
Essay	AS1		100	

Aims

- 1. To provide a detailed understanding and analysis of the various laws, regulations and systems applicable to the dispute resolution process*
- 2. To be able to identify potential risk areas of conflict and develop effective processes, procedures and strategies to limit exposure to disputes arising notably within business, corporate or commercial situations*
- 3. To increase the ability to create and implement action and highlight practices within a framework to put systems in place to help mitigate and manage disputes in both a national and international environment*

Learning Outcomes

After completing the module the student should be able to:

- 1 Demonstrate conceptual understanding and evidence critical evaluation, current research and advanced scholarship in the areas of international business corporate or finance law
- 2 Research effectively through a selection of appropriate theories, methodologies and techniques using primary and secondary materials
- 3 Enhance students' ability to plan and implement tasks and communicate to a range of audiences at a professional or equivalent level.

Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

Essay (4000 words)	1	2	3
--------------------	---	---	---
