Essay (4000 words) B2 D1 D4

Outline Syllabus

The content is indicative only

Historical and theoretical developments of international law

Sources of international law

Subjects of international law

Jurisdiction and immunity

Title to territory

State responsibility

International Law Case Study

Learning Activities

All modules utilise blended learning to enrich the intellectual and innovative landscape of the course through methods involving interactive, self-directed and independent learning.

Lecture-produced course materials where appropriate will be available for students to access electronically.

Students will have opportunities to collaborate with others in their learning cohort in structured seminar sessions.

Generally the teaching and learning style of delivery is seminar/workshop-based with students being required to undertake preliminary reading in order to prepare for and actively partake in group discussion.
