Assessment Details

Category	Short Description	Description	Weighting (%)	Exam Duration
Reflection	Reflection	a leadership topic that is relevant to your area of professional practice which has also been covered in the taught sessions.	100	

Aims

Expand participants' knowledge and understanding of professional development for leadership and management through learning based on engagement with current educational theory, research, policy and practice in Special Educational needs

Coordination.

Develop critical professional practice through analysis of, reflection on, and engagement with this knowledge and understanding in their professional setting. Develop professionally and personally through engagement with the module

Learning Outcomes

After completing the module the student should be able to:

- 1 Identify professional development needs, using a practitioner enquiry approach to critically reflect on practice
- 2 Display knowledge and critical understanding of key theoretical frameworks and concepts in leadership and management
- 3 Critically analyse and synthesise research findings and other evidence to inform their practice in leadership and management
- 4 Reflect on and evaluate the impact of their learning on professional practice, sharing knowledge in an appropriate way

Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

Reflection on leadership	1	2	3	4
--------------------------	---	---	---	---

Outline Syllabus

Reflective practice for leadership development

Leadership styles and strategies

Effective team membership and working

Working with colleagues - communication, securing commitment, negotiation and meeting skills

The significance of organisational culture and structure.

Planning for personal development

Practitioner enquiry approaches and monitoring impact

Learning Activities

Learning activities will include tutor input, group discussions and activities, learning conversations use of ICT such as VLE and other resources, action learning sets, action research/work related enquiries as appropriate, workshops, presentations, practical tasks, individual tutorials, directed readings and focused work-based practice, as appropriate.

Notes

This module provides a grounding in theory, research and practice for educational

professionals with an interest in developing their professional practice, and their ability to contribute to improve educational outcomes and organisational effectiveness. It is part of a collaborative PGCert programme with West Kirby Grammar School.
