Assessment Details

Category	Short Description	Description	Weighting (%)	Exam Duration
Essay	AS1	Subject Knowledge Essay (4000 word equivalent)	100	

Aims

To enable students to have a critical understanding of English in the primary curriculum

To enable students to critically analyse and evaluate how English is taught in the

primary school

To enable students to investigate the development of learners' understanding and barriers to learning English in the primary school

To enable students to critically evaluate strategies which promote learning in English in the primary school

Learning Outcomes

After completing the module the student should be able to:

- 1 Demonstrate systematic knowledge and understanding of fundamental concepts in teaching English as they relate to the primary curriculum
- 2 Critically analyse learners' conceptual understanding of English in the primary context
- 3 Interrogate research literature to provide a critique of pedagogy in primary English
- 4 Articulate complex ideas using appropriate language and style

Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

Subject knowledge essay 1 2 3 4

Outline Syllabus

The National Curriculum and frameworks and initiatives relating to primary English

Approaches to pedagogy in the primary English

Current research and policies on learning, teaching and assessment applicable to primary English

Strategies/activities to use ICT to enhance teaching and learning in primary English

Effective learning within the primary English

Issues in development of learning in primary learners with reference to primary English

Strategies for investigating research literature

Carrying out small-scale investigation into learning

Learning Activities

Key theoretical/policy perspectives, along with an overview of learner development and individual needs will be addressed in lectures.

Seminars and workshops/practical activities will provide opportunities to evaluate learning, teaching and assessment activities within primary English.

A series of school based tasks will enable students to observe, practice, evaluate and reflect upon different approaches and strategies for teaching and assessing primary English.

Group tutorial support will be provided to enable students to develop their critical, analytical and evaluative skills in relation to their own approaches to learning, teaching and assessment within primary English.

Online activities will support and enhance student learning and engagement.

Notes

The module uses a critical research-focused perspective to develop understanding of learning and teaching English in the primary phase. This module will enable students to practice and critically analyse and evaluate different strategies and approaches to learning, teaching and assessment in primary English through a series of portfolio tasks related to theoretical input.
